In addition to enjoying the sun and golf, you can also help support the California MBA's Political Action Committee - CAMPAC!

Our CAMPAC funds are completely separate from our association dues. CAMPAC funds are used to specifically support candidates for the California State Legislature. Through CAMPAC, the California Mortgage Bankers Association is eager to increase our visibility on the California political scene by supporting more candidates who understand the significant role that the real estate finance industry plays in our state's overall economy. We need your help to achieve this goal! By working together we can reach our goal and play a larger role in the election process in California. We are at a critical time in history and it cannot be emphasized enough how important a well-funded PAC for California is to our industry.

Support the political action committee that supports your industry - make a contribution to CAMPAC today!

**Contributions to CAMPAC are limited to \$7,300 per year and are not deductible for federal income tax purposes.
